## **Declaration: CPSA (Consumer Product Safety Act)**

With this document, we hereby confirm that all products supplied and manufactured by Metalwo A/S comply with standards of the:

### **CPSA - Consumer Product Safety Act**

Ensuring that no component undergoing printing, painting or surface coating, are being exposed to ink or paint that contains a concentration of lead greater than 0,009 percent following the Consumer Product Safety Act.

The above standing declaration is based on all available information from our current suppliers and is deemed valid until further notice.

Customers may request a detailed list of the of any individual product supplied by Metalwo A/S however, please note that retrieving such information requires extensive manual as well as analytical work from our employees which are not a part of the mandatory nor expected obligation following the regulation.

For this reason, Metalwo A/S charges a service fee of DKK 699,00 / EUR 94,00 per investigated part number. If the customer wishes to proceed with the investigation, please provide our Chief of Quality and Development, Mr. Claus Grøn-Nielsen, with a list of the specific part numbers and forward this to CG@metalwo.dk along with an authorized purchasing order issued to cover the fee.

We appreciate your understanding on this matter and looking forward to continuing our great collaboration for the future. If you have any questions regarding the current policy statement, please contact metalwo@metalwo.dk.

Kind Regards

Management of Metalwo A/S
