Declaration: WEEE (Waste Electrical and Electronic Equipment)

With this document, we declare that Metalwo A/S as a subcontractor does not report information to the producer register. In case of any WEEE we return this to the private or public collection system following local guidelines. By means of this, Metalwo A/S ensures that any WEEE is being disposed and/or recycled under environmentally safe circumstances.

If you have any questions regarding the Metalwo A/S procedures regarding WEEE, please contact Mr. Claus Grøn-Nielsen at cg@metalwo.dk.

Kind Regards
